**admin** 30. november 2015

---

**Join us for Ja Ja Ja Julefest - a special Nordic Christmas night - at the Nordic Embassies Fellehus on the 3rd of December!**

We're extremely proud to present the first appearance of **Dirty Dishes**, a new project from Tatu Rönkkö of Liima and Mads Brauer of Efterklang/Liima at a very special, very festive Ja Ja Ja Christmas celebration in Berlin!

**Blaue Blume**, a Danish quartet who became favourites after performing at Ja Ja Ja in Berlin and London last year, are also set to appear, returning to present their new album *Syzygy* for the very first time in Germany!

There will also be DJ duos from **Farao & 120 Days [NOR]**, **Lord Pusswhip [ICE]**, **Adna & friends [SWE]** and more, plus a special Nordic Christmas market offering up some of the most delicious treats from the North!
