- A Nordic Affair -

Ja Ja Ja Nordic's Birthday Brunch

2019 marks 10 years since the launch of Ja Ja Ja Music in London, and 5 years since the Nordic music club night launched its Berlin edition in 2014.

Since then, more than 250 new Nordic artists have performed at Ja Ja Ja's club nights and festivals, with over 100 shows taking place in London, Berlin, Brighton, Hamburg, Vienna, Tokyo, Salzburg, Graz and Budapest. The likes of **MØ**, **Aurora**, **Jaakko Eino Kalevi**, **Silvana Imam** and **Vök** have risen through Ja Ja Ja's ranks to achieve widespread success, making the platform the premier destination for industry and public alike to discover the best emerging Nordic music.

Ja Ja Ja will be hosting a series of special events in the UK, Germany and beyond to highlight these landmark anniversaries, and we'll be attending The Great Escape Festival to get these celebrations underway!

Join Ja Ja Ja on Friday morning for coffee, light Nordic breakfast bites and a seamless wake up playlist. The Ja Ja Ja team will be on hand to answer any questions, and you'll also be able to meet the Nordic delegates attending the festival. So come and say hei, and help Ja Ja Ja to get our birthday celebrations under way!
