Ja Ja Ja

- A Nordic Affair -

Just 2 days to go until Ja Ja Ja returns to FluxBau to bring three brilliant new Nordic artists to our Berlin stage!

Hailing from Oslo, tantalising dream-scape merchant **Jakob Ogawa** is set to join us in Berlin for a sure-to-be unmissable performance! Jakob will be joined by **ORKID** from the far, far north or Sweden, whose simmering style of electro-pop is sure to leave your knees weak. And the third act of the evening will be Danish trio **The Entrepreneurs**, whose blistering brand of "Noise & Romance" rock will shake FluxBau to its very foundations.

So what are you waiting for?! [Get your tickets now](#) to join the ultimate Nordic party in Berlin - just €5 in advance for Ja Ja Ja members!
