From mx.dk: Join Ja Ja Ja Nordic at our first Berlin show of 2019!

We're thrilled to be heading back to FluxBau after our winter break, and especially thrilled that 3 exquisitely good new artists will be joining us to perform! Denmark's **IDA KUDO** will be playing, fresh from releasing her *Gold* EP in November, while Norwegians **Hajk** will be teasing brand new tunes from their forthcoming album *Drama*. And we're hugely excited to have Iceland's **DJ flugvél og geimskip** coming to Berlin, to bring some cosmic excitement to the room via tracks from her newly released album, *Our Atlantis*! Intrigued? You should be - read on to get to know each of the artists better!
