

From mxd.dk: Ja Ja Ja London - November Line-up Announced!

It's the end of another Ja Ja Ja season, and we are super excited to team up with one of our favourite promoters, Rockfeedback, for our November show!

[Rockfeedback](#) began in 2000 as one of the first independent online music magazines in the UK. Since then, it has developed into one of UK's fastest growing independent live promotions and event companies. We are loving the line up they have chosen for our November Ja Ja Ja, so get ready for yet another smasher of a night with **Nelson Can** (DEN), **Albert Af Ekenstam** (SWE) and **HAJK** (NOR).
