

From mxd.dk: Ja Ja Ja London: September Line-Up Announced!

**After a summer break where we've been dancing around in Nordic festival fields, we're ready to get back to The Lexington for a brand new season of Ja Ja Ja!**

For the first show on Thursday 28th September, we've teamed up with the lovely people at Vevo who have hand picked a massive line up for us! Vevo is the world's leading all-premium music video platform, racking up more than 24 billion video streams each month - and they're also folks of exceptional taste. As such, September's Ja Ja Ja club night will feature performances from some of the hottest new Nordic artists; Denmark's secretive pop gem Goss (DEN), Swedish songstress Many Voices Speak (SWE) and emerging pop artist/producer Emma Jensen (NOR).

Tickets on sale now via Billetto and DICE - £7 in advance and £5 for Ja Ja Ja members. Sign up [HERE](#) to become a Ja Ja Ja member (for free!) and receive discounted entry to all of our events, free merch and other Nordic delights.
