

From mxd.dk: [MXD Networking @ SPOT] Meet Musikexpress

Once again this year, we are inviting several key international industry professionals to attend SPOT Festival. All of them will be joining us at the [MXD Superball @ RADAR](#) as part of the SPOT+ programme, but until the festival kicks off on May 4th, we will be bringing you brief introductions to them, including where they come from, what companies they work for, what bands they want to check out at Spot, and much more. We look forward to seeing Jochen Overbeck of Musikexpress.

**- and a bit about what Musikexpress has been up to this year?**

Difficult question! Basically what we always do: making a good magazine. However one of our highlights was having an exclusive depeche mode 7" in our april issue.

**What was the moment you personally decided you wanted to work with music?**

Probably the moment I first listened to "It's A Shame About Ray" by the Lemonheads

**Who are you looking forward to seeing at SPOT Festival this year?**

Alma, Yung, Diet, Masasolo - and all the bands I don't even know yet.

**Best liveshow of your life, hands down?**

Pulp, Hyde Park, 2011
