

From mxd.dk: [Apply now] Att. Danish Film Composers: Join the Nordic Trade Mission to LA

A handful of Nordic film composers will be introduced to Los Angeles on a trade mission of networking and professional development contents. The program is organized for the first time in April 8-10, 2019 by Nomex, the network of Nordic music export offices. The composer trade mission is a side program for the fourth edition of Nordic Music Trade Mission to Los Angeles, a trade mission for music companies in publishing and master rights, management and sync, with export to the U.S.

The two day program consists of meetings and discussions with local business contacts relevant for composers such as agents, managers, studios, music supervisors, the local PRO's etc. as well as office and film studio visits. The composer trade mission program will be run two days, April 8-9. On the 10th, the composers can join the trade mission for the sync day, which consists of professional content regarding music licensing for film, tv, advertisement etc. and meetings with music supervisors. On Wednesday the 10th, the Consulate General of Finland in Los Angeles will host a networking event for the trade mission.

The program will be produced in cooperation with a local LA partner, well established and
