

From mx.dk: Un Petit Julenetworking – Meet Beating Drum Records

Again this year, we're celebrating the coming of Christmas by inviting over around 20 prominent French music industry professionals to meet the Danish industry at Un Petit Julenetworking. Before the networking commences on November 30th, we'll be introducing you to some of people that you can meet. Here's a small bio on Anaïs Ledoux of Beating Drum Records.

Name: Anaïs Ledoux

Company: Beating Drum Records / CRY BABY

Based in: Paris

Title: MD

Can you tell us a bit about your company? BEATING DRUM is an independent record label created by singer songwriter Piers Faccini and myself, we release his albums and a few other projects close to Faccini's universe. After many years of experience of being signed as an artist to different labels, we had the growing desire for total creative autonomy

that led to the eventual release of Faccini's fifth album and Beating Drum's first release 'Between Dogs & Wolves' in September 2013.

NB : Also just created a new label & management platform called **CRY BABY** with partner Stéphanie Fichard @ Kill the DJ records, a new platform based on empowerment, feminism, commitment and visibility.

Can you name a few acts that you yourself work with? PIERS FACCINI, LEONIE PERNET, YELLI YELLI, LUCIE ANTUNES, UNCLE O, C.A.R

Best live show you have ever seen, hands down? I have seen so many its really hard for me to choose so i prefer to say i hope it will be the next one: KENDRICK LAMAR
